UNITEK S1207 - SYNCSTATION MARSHMALLOW M.2 USB-C TO PCIE/NVME M.2 SSD DUAL BAY DOCKING STATION WITH OFFLINE CLONE

מק"ט: S1207A

₪499 ~~₪650~~

Product Overview:
USB3.2 Gen2 10Gbps SuperG-tech
Dual bay for PCIe/NVMe M.2 SSD
Support UASP and TRIM
Built-in cooling fan and dust cover
This dual-bay docking station not just let you read two M.2 SSD simultaneously but also comes with an offline clone function. With USB-C interface, USB3.2 Gen2 specification supports up to 10Gbps data transfer speed. It also supports UASP & TRIM for efficient data read/write.

יצרן   Unitek

תיאור מוצר

Product Features:

- Support multi-size M.2 SSD (42/60/80mm).
- PCIe Gen4/ Gen3 and all other NVMe M.2 SSD are applicable.
- With USB3.2 Gen2 specification, the data transfer rate up to 10Gbps. Backward compatible with USB3.2 Gen1/ 2.0/ 1.1. Support SSD TRIM command and UASP acceleration.
- Offline clone function for cloning from Disk A to B without PC.
- With a built-in cooling fan for efficient heat dissipation.
- With dust cover to minimize the impact of dust.
- Plug and play. Tool-free installation.

Remark: This product doesn't include any M.2 SSD and customers' M.2 SSDs require solo purchase.

Hardware&Dimension:

- Dimension: 93mm x 93mm x 132mm
- DC Size: 5.5*2.5mm
- Upstream: USB-C Female
- Downstream: PCIe NVMe M.2 SSD (42mm/60mm/80mm)
- Color: White
- Materials: ABS Housing

Package Contents:
1 x SyncStation Marshmallow M.2
1 x USB-C to USB-C Cable in 1M (USB3.2 Gen2)
1 x 12V/2A Power Adapter
1 x User Manual
